

## HND INDUSTRIAL FIELDS

- Chemical Engineering
- Telecommunication
- Civil Engineering
- Mechanical Fabrication
- Software Engineering and Computing
- Topography
- Electrical and Electronics Engineering
- Boiler Making and Welding
- Network and Security
- Industrial computing and Automation

## HND COMMERCIAL FIELDS

- Accounting
- Banking and Finance
- Marketing
- Management
- Project Management
- Logistics and Transport Management
- Human Resource Management
- International Trade
- Custom and Transit

## BACHELOR OF TECHNOLOGY

- Civil Engineering
- Geomatics and Surveying
- Software Engineering
- Telecommunication
- Thermal Engineering
- Automation and Control
- Mechatronics
- Computer Systems & Networks
- Electrical Power Systems
- Welding and Fabrication Technology
- Chemical Engineering
- Industrial Maintenance and Production Engineering

## BACHELOR OF ENGINEERING

- Computer Engineering
- Electromechanical Engineering
- Civil and Environmental Engineering
- Chemical Engineering
- Architectural Engineering
- Mechanical Engineering

## BACHELOR IN HEALTH SCIENCES

- Nursing Science
- Medical Laboratory Science
- Physiotherapy

## BACHELOR IN BUSINESS & MANAGEMENT SCIENCES

- Accounting and Finance
- Digital Marketing
- Information Systems Management
- Logistics and Supply Chain
- Banking and Finance
- Management
- Marketing and International Business
- Human Resource Management

## BACHELOR OF AGRICULTURE

- Crop Production
- Animal Production

## MASTER OF ENGINEERING

- Electrical & Electronics Eng.
- Computer Science & Eng.
- Civil Eng.
- Mechanical Eng.

## MASTER IN BUSINESS & MANAGEMENT SCIENCES

- Financial Management
- Accounting and Finance
- Logistics & Supply Chain
- Human Resource Management

### International Certifications
